

FISCAL NOTE

HB 686 - SB 832

March 7, 2003

SUMMARY OF BILL: Increases the time for which a deposit paid to ensure an adopted dog or cat is spayed or neutered is held for return, from 10 days to 15 days after the date the spaying or neutering is required to be performed. After 15 days the deposit would be forfeited to the agency holding such deposit.

ESTIMATED FISCAL IMPACT:

Decrease Local Govt. Revenues - Not Significant

Estimate assumes increasing the deposit hold time will result in fewer deposits being forfeited to local governments operating animal control agencies. The decrease in revenues from forfeited deposits is estimated to be not significant.
